The screenshot shows the 'Dynamic Connections' website in a Windows Internet Explorer browser window. The address bar shows 'http://www.dynamicconnections.de/'. The website has a header with the 'LAB3' logo, the text 'Dynamic Connections', and navigation links for 'HOME', 'ABOUT', and 'CONTACT'. In the top right corner, there are language selection links for 'Deutsch' and 'English'. The main content area is titled 'What type of bicyclist are you?' and contains four radio button options: 'I am a very confident bicycle rider.', 'I regularly ride a bicycle.', 'I am interested in riding a bicycle', and 'I never ride a bicycle'. Each option has a brief description of the rider's behavior. Below these options is a text input field for 'Enter your email address (optional)' and a 'SUBMIT' button. The footer of the website states 'Dynamic Connections is a project of the BMW Guggenheim Lab.' with social media icons for Facebook and Twitter. The browser's taskbar at the bottom shows the date and time as 4:27 PM on 20/07/2013.

**Please note that the map automatically
defaults to Berlin**

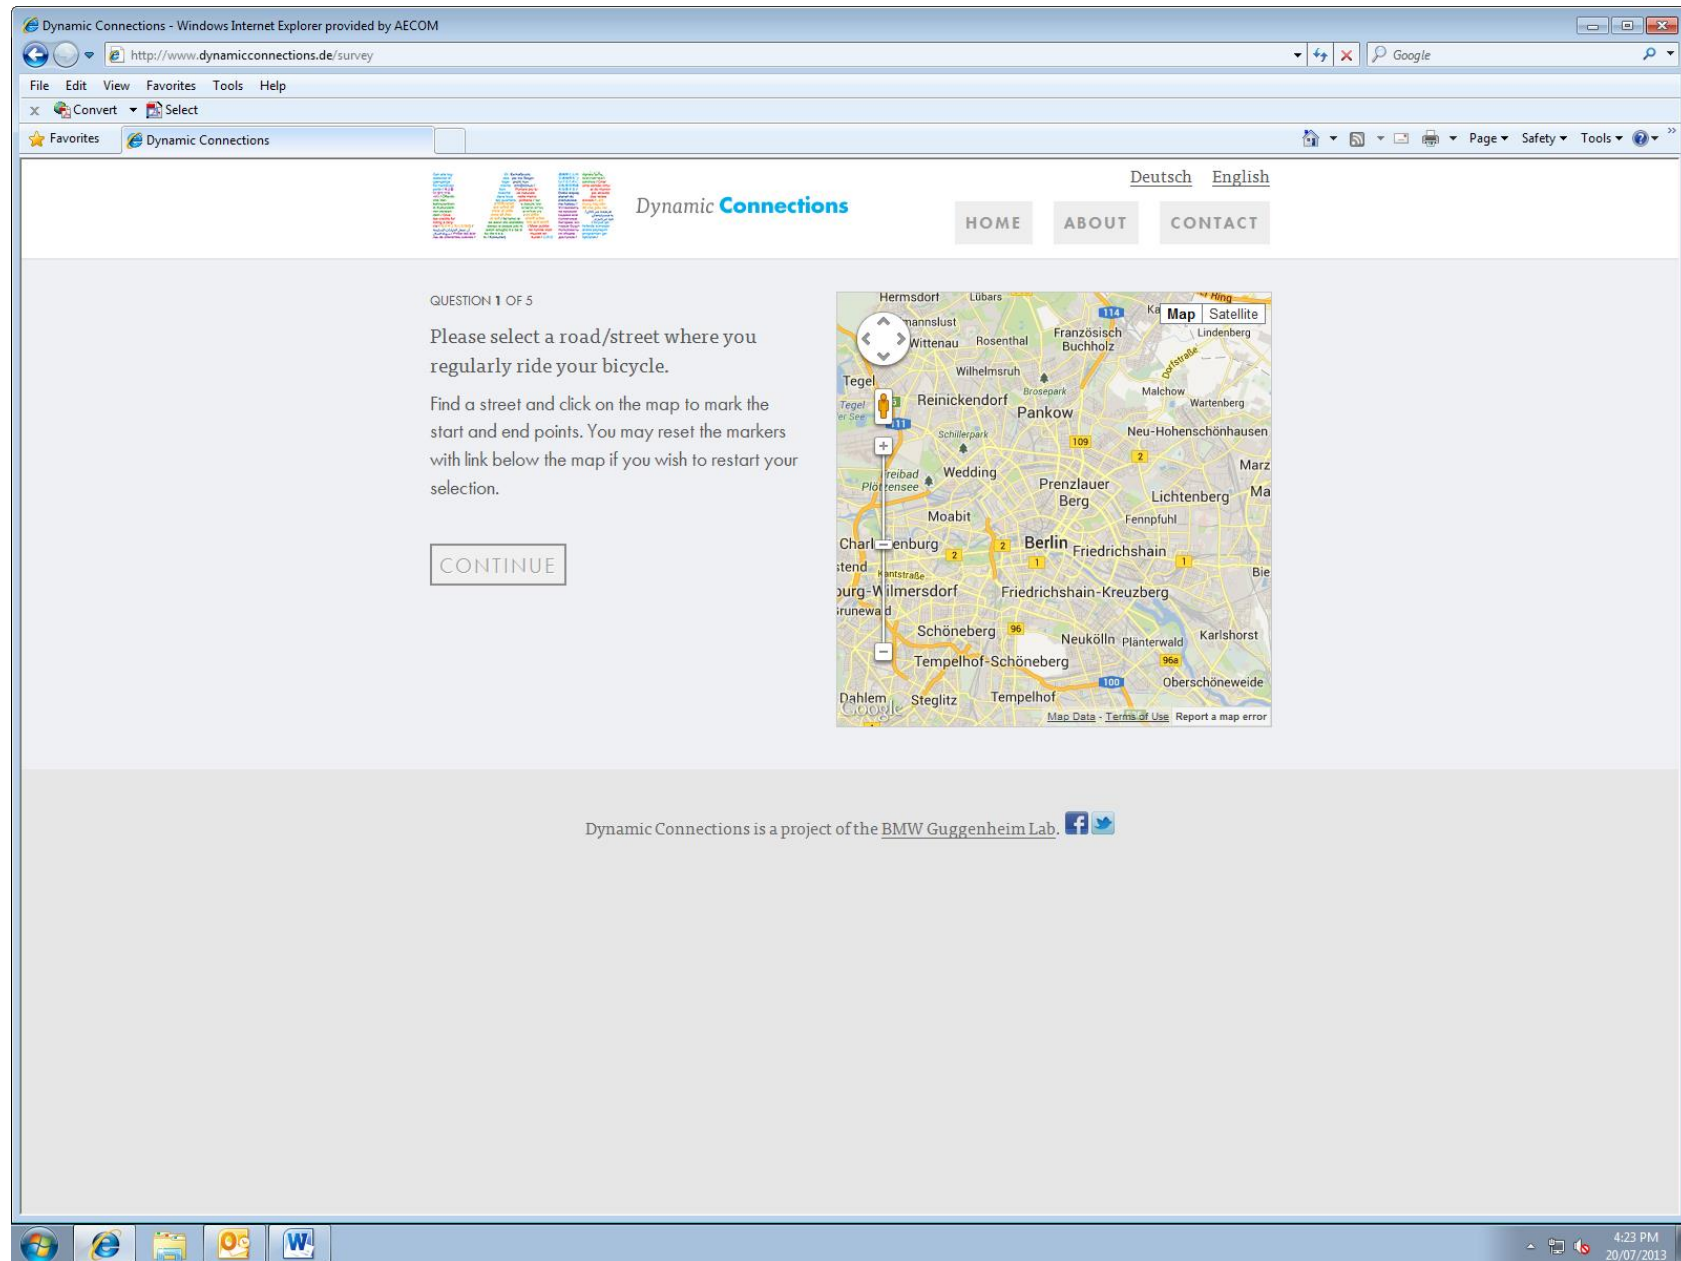

**Dynamic Connections was created as a temporary urban experiment and pilot project
for Berlin as one of the BMW Guggenheim Lab 'Out in the City' projects**

**The map is now open for use by anyone anywhere
It is however acknowledged that the tool, map and questions have some imperfections**

***"It doesn't have to be perfect
It just needs to be a start"***

The page will automatically show you the results for your street and then quickly default back to the Berlin map

The results for every street populate a results database

Please zoom out from the Berlin using the + and – symbols and then using your mouse please scroll to the street which you have rated to see if it is colour coded green or red and use the drop down to review the results

Sorry for any convenience caused by the map defaulting to Berlin
